Supporting Brooke Hospital for Animals in Cairo

Welcome

Over the past 35 years, this small stud has produced a number of highly successful horses from predominately Crabbet stock.

MAGIC DOMINO (Ludomino x Hamsfah) became the Supreme National Sport Horse Champion in Canada and is a Legion of Excellence Dressage Champion in the USA.

Now 16, he has just been designated a "Living Legend" by the American Arabian Breeders Foundation, an honour given only once every 25 years.

His half-brother, the youngest ever Premium stallion, HACHIM (by Achim's Silver Magic), gave us four fillies before his export to Abu Dhabi. In 2002, Hachim won the tough Bahrain Endurance race in record time. In 2005 he will represent the UAE in the Endurance World Cup in Dubai.

Hachim's half-brother, MAGIC PHANTOM (out of Someone Special), raced four times, winning once, and gaining a second and two thirds.

Another Someone Special son, CROIX DE GUERRE, represented Britain at the Junior Endurance World Championships in Rome in 2003, gaining 4th place.

Many other successful Gadebrook offspring return with their owners in May 2004 to celebrate the stud's 35th anniversary. I am deeply indebted to Mrs Iona Bowring and Mr & Mrs Peck for the wonderful horses they have allowed me to share: notably the impressive stallions Silvern Sceptre and Crystal Silver, and mares Crystal Sheen, Silver Sylph and Silver Aura.

May 2004 Reunion

Greetings come from many owners not able to bring their horses to the event:

Alicia Bratby with **Silvern Sheena**; Alison and Gary Plumley with **Japonica**; Dorothy and Ed Beagley with **Silhouette** and her daughter **Silver Silhouette**; Sarah Baldwin with **Jubilee Shah**; Sandra Redmore with **Jubilee Czar**; Louise Maryon with both **Crystal Sheen** and her son **Crystal Silver**; Viv Bates and Eileen Maes-Jones with **Crystal Lazuli**; Linda Hargraves with **Silver Spectre** - and the American star and Living Legend, **Magic Domino**, owned by Mark and Kim Thomason in the USA, and his brother, **Hachim**, now in Abu Dhabi.

In Memoriam, I should like to remember all the wonderful horses with whom I have shared my life at Gadebrook Stud, but who are now grazing in more heavenly pastures, especially the stallions: Silvern Sceptre and Blacklord Caesaro; the mares Silver Indrette, Someone Special, Hamsfah; and youngsters Juniper, Crystal Domino, Silver Mist and Pisa.

*We are grateful to feed merchants Dodson & Horrell for providing the many prizes for the competitions and providing a goody bag for everyone to take home.

SHADED SILVER

This versatile 100% Crabbet stallion by Golden Silver out of Magic's Moonshadow, bred by Maureen de Popp, is owned by Julie Green but on lease to Gadebrook. Now 16, he has accomplished almost everything under saddle, jumping, hunting, eventing and endurance riding. He has covered Zaharina, Summertime Blues and visiting Crabbet mare, Crystal Treasure.

KUMASHA

17-year old bay mare (Persimmon x Khamala), a multi-champion under saddle and former Horse of the Year Show Ridden Champion Mare and British National Champion ridden mare. Her bay filly foal: KALISH by International Silver Medalist Crystal Magic was born on 10 March 2004.

SILVER AURA

The doyenne of Gadebrook Stud, Silver Aura was British National Champion Broodmare in 1984 but is now retired having bred 10 foals, many by the exceptional Silvern Sceptre with whom she nickered so well. Though chestnut, Aura gains her 'Silver' sobriquet from her illustrious tail female line going back through her multi-champion dam, Silver Sheen and grand-dam Silver Grey to Silver Gilt and Silver Fire. Her iridescent burnished gold coat and her gentle temperament come from her American sire, the legendary Ben Rabba.

SUNNE IN SILVER

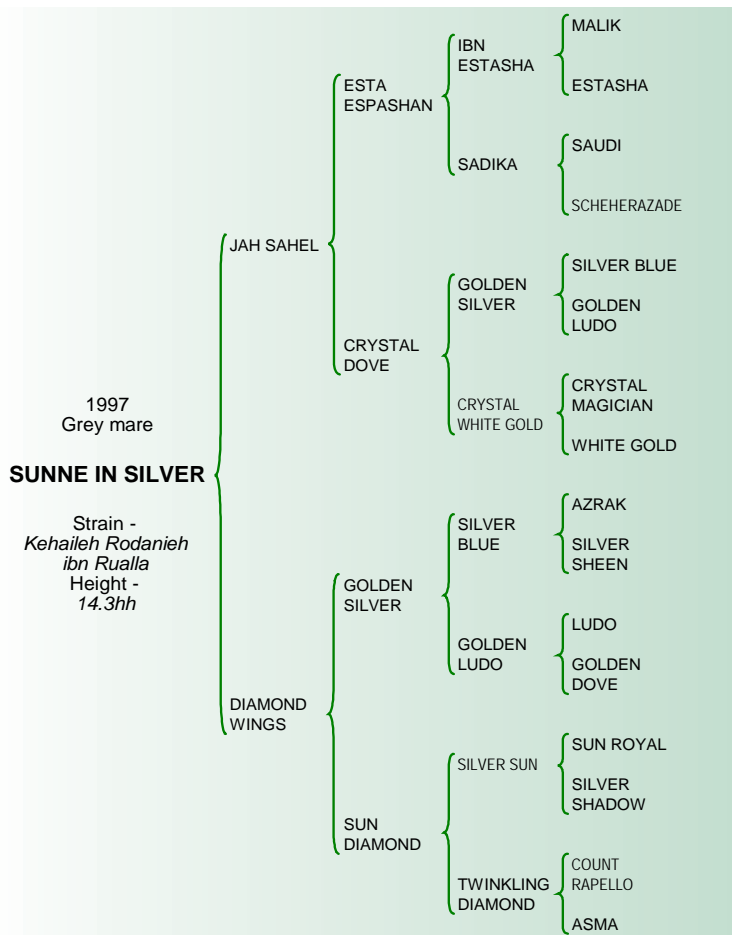

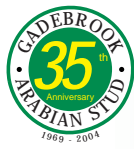

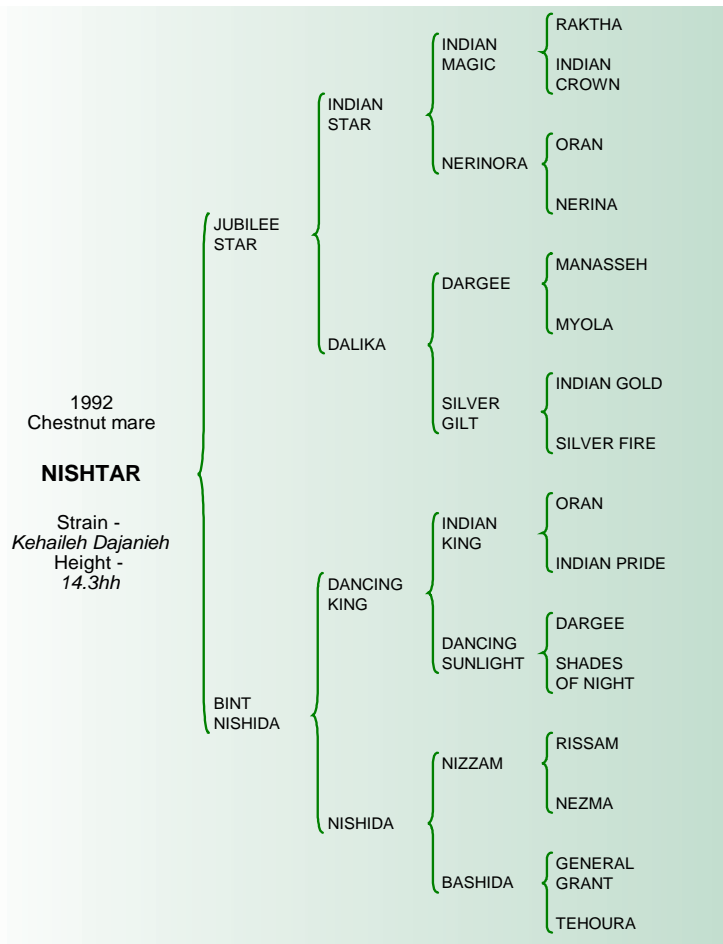

Photo : Lesley-Ann Hartman

7-year old dapple grey mare shows the dash of pizzazz that results from an outcross of Crabbet with the more showy Egyptian/Spanish lines. Her filly: **RUSLEEMA**, by double British National Champion Rusleem, was born on 9 May 2004.

NISHTAR ('Breeze')

12-year old chestnut mare is 100% Crabbet. Her Crabbet daughter, Magic Fire is here today and competing in Endurance already at just six with her new owner Joanne Holman, now moving from Novice to Intermediate after just one season.

SUMMERTIME BLUES

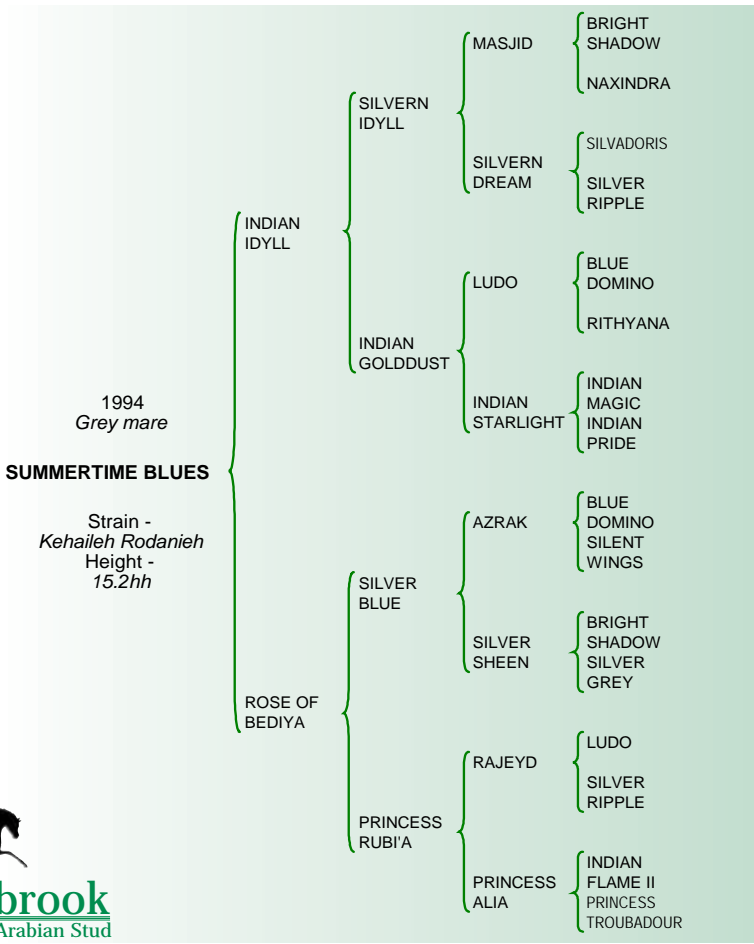

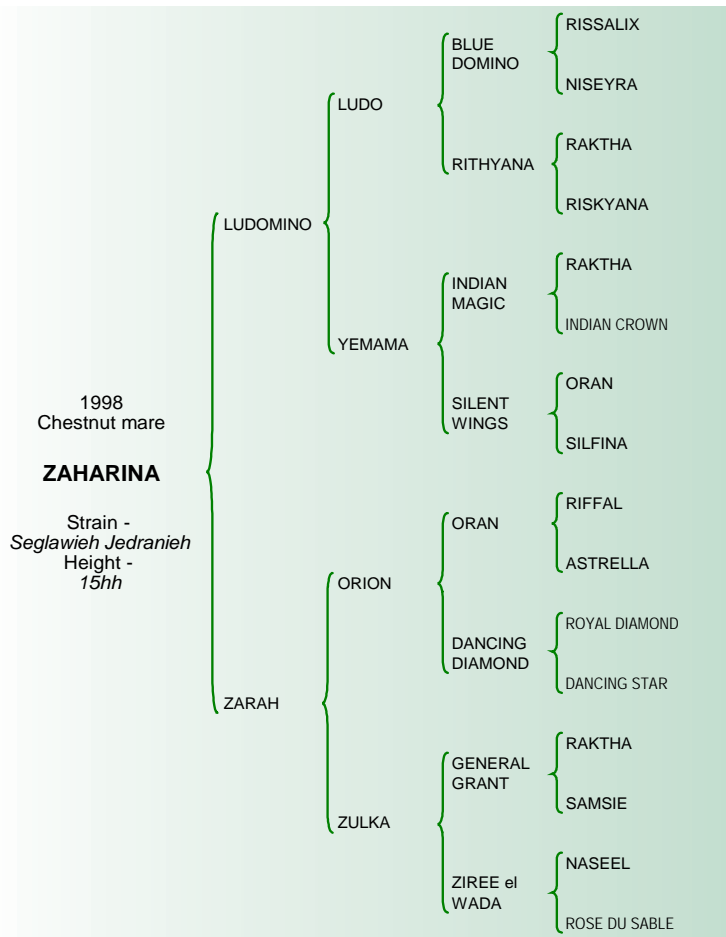

Photo : Lesley-Ann Hartman

10-year old white-grey mare of superb 100% Crabbet breeding and the friendliest temperament, is generously on loan from Jan Holley to breed the pure Crabbet stallion Shaded Silver for 2005. Blue was selected to appear at the 2002 Crabbet Convention.

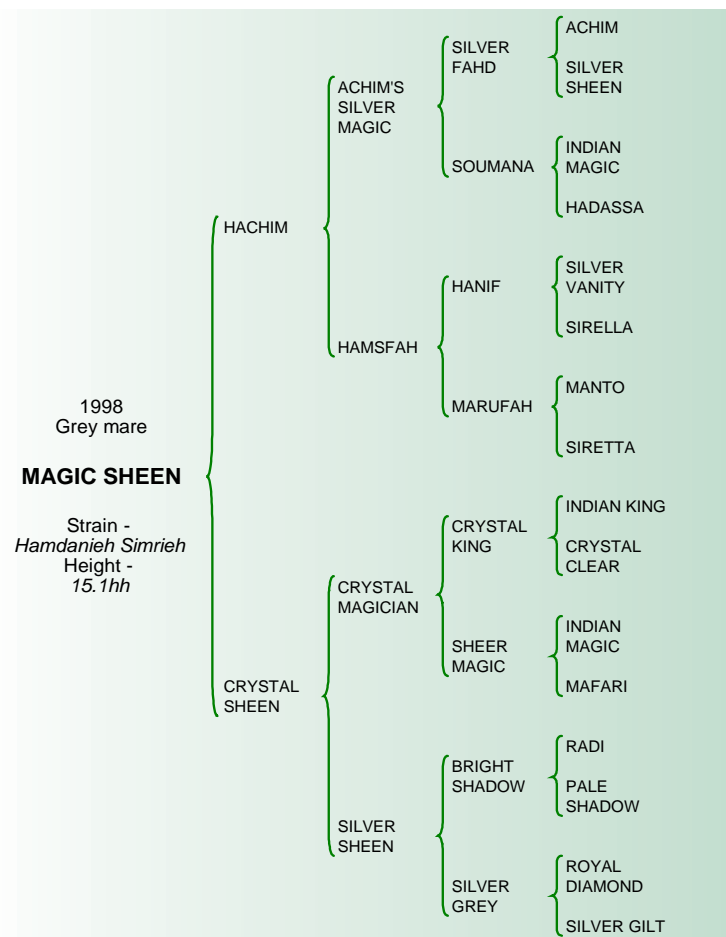

ZAHARINA

This 16-year old chestnut mare is my only remaining Ludomino off-spring, but shamefully under-used as an occasional riding horse and brood mare. Her successful endurance daughter Zaha by Hachim (above as a foal) is here today. Her illustrious brother in the USA, Magic Domino, has just been designated a Living Legend by the Arabian Horse Owners Foundation. Another versatile and successful brother on her dam's side: Zamorin (by Silver Domino) is here today. Zaharina is in foal to Shaded Silver for 2005.

MAGIC SHEEN

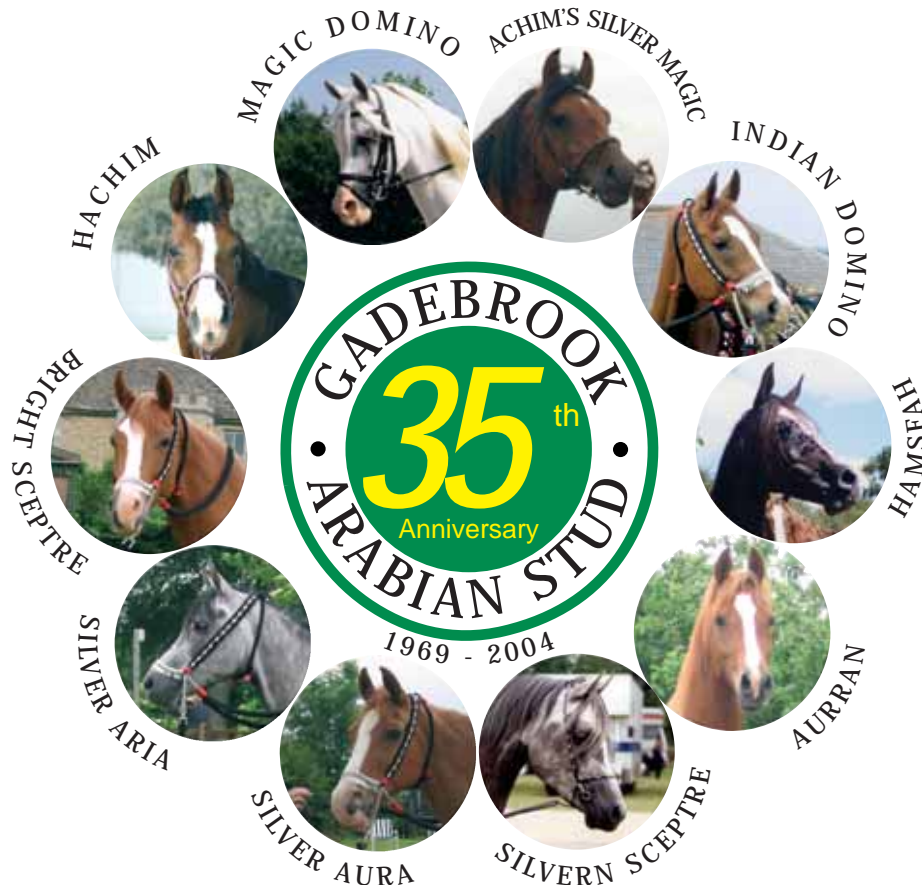

6-year old Magic Sheen is a descendent of the famous Silver Fire line. She won in-hand as a yearling and is now ridden daily (in summer!) preparing for an Endurance career like her sisters and her internationally successful sire, Hachim.

We celebrate 35 years of breeding and successes from the Crabbet foundation mares:

HAMSEFAH (Hanif x Marufah)
SILVER INDRETTE (Indian King x Indira)
ZARAH (Orion x Zulka)
CRYSTAL SHEEN (Crystal Magician x Silver Sheen)
SILVER AURA (Ben Rabba x Silver Sheen)
SOMEONE SPECIAL (The Shah x Clear Blue)

Congratulations to owners who have taken Gadebrook horses to the top, including:

MAGIC DOMINO by Ludomino, Canadian National Champion Sport Horse, now USA Supreme Legion of Honor Dressage Champion and Top Ten Sport Horse and "Living Legend"
HACHIM Performance Graded Premium stallion by Achim's Silver Magic, now in Abu Dhabi, winner of the tough Bahrain Endurance Race in record time and World Cup contender.
MAGIC PHANTOM by Achim's Silver Magic, with a 1st, a 2nd and two 3rds in just 4 races, now also winning in dressage and showjumping.
